About Summer Art Workshops

All classes will include a number of skill-building processes and projects using various media and materials, related to the workshop title. Each workshop will include learning sessions about the life and work of at least one artist working in the media of the workshop

There is limit of 10 students per workshop. There will be two adults leading each workshop; one teacher and one assistant with some workshops being team taught by UW-Green Bay Art Education graduates or majors.

Partial and Full Scholarships are available

The process is easy: fill out the registration form and send it in along with a letter, written by the student, answering: Why they like to make art and why they deserve a scholarship?

July 9, 2010 is the deadline to receive scholarship requests. Scholarship letters will be sent out by July 19.

Contact the ARTgarage with your questions.
